Objective:

Passionate and versatile writer and painter with over two decades of experience in crafting compelling narratives and abstract artworks. Recognized for a unique blend of science fiction, psychology, thriller, and crime genres, and with a dedication to sharing and teaching the art of storytelling despite challenges. Eager to further collaborate with international publishers, filmmakers, and storytellers to create impactful content across platforms.

Professional Experience:

Fiction Writer & Broadcaster

Amsterdam, The Netherlands | 2018 - Present

Successfully wrote and published 7 fiction books in English across genres such as science fiction, psychology, thriller, and crime on Amazon.

Initiated a Farsi audio broadcasting channel to share stories with Iranian diaspora and Farsi-speaking audience, ensuring continued access to cultural narratives.

Underground Writing Instructor

Tehran, Iran | 1998 - 2018

Privately taught and mentored beginner writers in story writing techniques, helping develop the next generation of Iranian writers.

Navigated the challenges of Iran's dictatorial regime, upholding the importance of free speech and storytelling despite censorship.

Abstract Artist & Exhibitor

Amsterdam, The Netherlands | 2018 - Present

Showcased abstract artworks in various art expos throughout the Netherlands, garnering appreciation and recognition for unique artistic style and vision.

Achievements:

Won "Best Screenplay" at the "Stories That Matter / Movies That Matter" International Film Festival in early 2023. Screenplay is slated for production in December 2023 with plans for entry into international festivals.

Skills:
